

WEBSTER LT SERIES

LT SERIES

The Webster LT Series of interactive whiteboards offers the precision of laser tracking on a durable ceramicsteel surface. Capture anything written or drawn on the whiteboard to your computer so you can print, e-mail, fax, or upload your notes to the Web. Inexpensive pens are specially designed for laser tracking and automatic color detection. Notes for each page can be recalled in the order they were written, a beneficial feature for participants reviewing documents at a later time. Webster LT whiteboards also act as interactive front projection screens when connected to a computer and an LCD projector,

expanding your capabilities to include interactive computer applications.

Webster LT whiteboards offer the superior advantages of *P³ ceramicsteel[®]* Surface by Alliance, a virtually indestructible material.

The incredibly smooth, magnetic writing surface enhances visibility, eliminates ghosting, erases easily, and provides for simple removal of foreign substances.

LT whiteboard models include permanent wall mounting units, mobile units, or compact boards for individual or cubicle use.

FEATURES

INSTANTLY RECORDS

INTERACTIVE PROJECTION ENABLED

P³ ceramicsteel SURFACE

BENEFITS

- IMPROVES AUDIENCE PARTICIPATION AND ENHANCES COMPREHENSIVE LEARNING
- ELIMINATES POST-MEETING TRANSCRIPTION
- ENABLES ELECTRONIC COMMUNICATION OF INFORMATION

- ENHANCES PRESENTATION IMPACT
- ALLOWS USER TO CONTROL PRESENTATION FROM THE BOARD

- DURABLE
- DAMAGE RESISTANT
- LOW-GLARE
- ULTRA-SMOOTH FINISH ELIMINATES GHOSTING EFFECT

FEATURES AND TECHNICAL INFORMATION:

MINIMUM COMPUTER REQUIREMENTS

WINDOWS®

- Pentium-class computer
- 32 MB available RAM
- Available serial port
- Microsoft Windows 3.1, 95, 98, NT, 2000, ME
- Windows compatible black and white or color printer recommended

APPLE MACINTOSH®

- PowerBook®, G3, G4, iBook®, iMac™
- 4 MB available RAM
- Available serial port or use optional USB to 9-pin serial adapter
- System software Version 8 or 9
- Macintosh compatible black and white or color printer recommended

SCANNING RATE, IMAGE QUALITY

- Pen and eraser movement sampled in real time
- Legible 0.25" (6.35mm) minimum character height
- Drawing is captured anywhere on the writing surface

EXPORT FORMATS

WINDOWS

- JPEG (.jpg)
- Windows Bitmap (.bmp)
- Windows Metafile (.wmf)
- HTML (.htm)

MACINTOSH

- Clipboard
- PICT (.pct)

PENS, ERASER, AND SURFACE SPECIFICATIONS

- Pens: bullet tip dry-erase markers with optically encoded collars, in red, green, blue, and black
- Erasers: optically encoded felt, one each in .75" (30mm) diameter, and 3.5" (89mm) diameter
- Surface: writing area is P³ceramicsteel Surface by Alliance (porcelain-coated steel)

ELECTRICAL REQUIREMENTS

- 100-240 VAC, 50-60 Hz
- 8' (2.44m) power cord provided

RS 232 SERIAL INTERFACE

- 9-pin female D-sub connector on Webster LT
- 12' (3.65m) standard 9-pin male to 9-pin female "straight-through" cable provided for Windows
- 12' (3.65m) cable 9-pin male to mini DIN-8 connector provided for Macintosh
- Optional USB to 9-pin male adapter available

CERTIFICATIONS

- UL, CE, CSA

WARRANTY

- Two-year limited warranty included
- Extended warranties available
- Lifetime warranty on P³ceramicsteel writing surface

ACCESSORIES:

MOBILE CART

Holds Model LT 4000 and LT 5000

SOFTWARE

Webware™ Web Posting Software

CUBICLE MOUNT

Holds Model LT 2000
